WHEN: JULY 13, 2018 FROM 10AM - 2PM

Attention: Residents & Business owners

640 Earthworks has been contracted by the Village of Clyde to install a new water line. The water line construction will require a temporary water interruption to connect the new waterline to the existing one in your area.

The temporary water interruption will be on **Friday, July 13**, between the hours of **10:00am and 2:00pm**. We recommend taking some provisions and storing some potable water during this time.

Please note, after the interruption you may experience coloured or cloudy water. Please flush out your lines by turning on your water taps until the water becomes clear. If the coloured water continues after flushing, please call the contact person below.

In addition to this water shut down, 55th Avenue will be restricted to **1 lane of traffic** between **July 9th and July 14th**.

We apologies in advance for the disruption and we will strive to complete the work with the least amount of inconvenience to you and your family.
