CLYDE connection

Building Communities One Pizza At A Time.

Pizza Dome is more than a small town pizza joint. For owner Andre Depelteau, Pizza Dome is another way that his family owned collection of businesses can help revitalize small towns in Alberta. As owner of Knotty Pine Cabins, Depelteau has been building affordable housing in small towns across the province. Opening restaurants in these small communities helps increase the level of services for residents as well. The satisfaction of seeing families enjoy a slice of pizza after an afternoon playing hockey or a day of sledding is the greatest reward for this business owner who is steeped in the culture of Alberta's small towns. Pizza Dome is expected to employ about 15 people.

Pizza Dome is scheduled to open February 2, 2021 and when the covid pandemic is over, the restaurant will seat 30 people. Phone number to be announced in the coming days.

Happy Retirement

Happy Retirement Loretta Keller

January 14, 2021

The Residents and Clients of the Village of Clyde have been met at the office with a smile and a cheerful laugh from an important person named Loretta Keller.

Thursday January 14, 2021 Loretta decided that the spring looked better from her home playing with her grandchildren and spending more time with her family.

Many from the village young and old will miss their chats with Loretta while paying their bills or getting key information.

Thank you for the three years of hard work and loyalty to the Village of Clyde and its people. Your knowledge, history and dedication will be tough shoes to fill. The village council, administration and all the residents and clients wish Loretta the best, for we will all miss you.

Mayor Clausing, Council and Administration
