The Village of Clyde is proud to announce the successful completion of a significant project, generously funded through the Municipal Climate Change Action Centre's (MCCAC) Community Energy Conservation (CEC) program.

"What a difference this generously funded upgrade has already made for our village office! We are thankful for the continuing difference it will make in the decades to come, now that we are actively reducing our energy consumption.

Thank you!"

– Charis Aguirre, Mayor

This initiative has facilitated the upgrade of our office lighting with energy-efficient fixtures, emphasizing our commitment to sustainability and environmental stewardship. We would like to extend our thanks to the MCCAC for their generous support and look forward to continuing efforts to advance environmental responsibility and operational efficiency within our municipality.

The Municipal Climate Change Action Centre is a partnership of Alberta Municipalities, the Rural Municipalities of Alberta, and the Government of Alberta. Funding for the Community Energy Conservation Program was provided by the Government of Alberta.

Alberta's new Extended Producer Responsibility (EPR) program means companies will help pay for recycling, lowering costs for municipalities!

Starting April 1, 2025, your recycling provider will be changing. Additionally, the recycling charge will be removed from your April utility bill, which you'll receive in early May 2025.

Stay informed and thank you for helping reduce waste!

For more details, visit [Alberta's EPR Information](#).
