Fireworks Permitting

Long weekends and summer celebrations are right around the corner which means Fireworks may be used to celebrate. The Village of Clyde would like to send a friendly reminder to anyone interested that a Firework permit is needed within the village corporate limits. You can find the permit on our website or by contacting the office to provide you with one.

Fire Pit Permits

Summer is here! Risks associated with dry weather has increased! Let's all do our part in avoiding wildfires. We at the Village of Clyde would like to send a friendly reminder that fire pit permits are required for backyard fire pits. Under the Fire Protection By Law, Section 5; the Village of Clyde requires residents to obtain a fire pit permit to enable backyard fire pits. The Fire Pit Permit applications can be found on the Village of Clyde website at www.villageofclyde.ca/permit-license-bylaw or we can supply one for you at the Village of Clyde Office. Fire Pit Permits are only \$20.00 for the lifetime of the fire pit.
