Coming: January 4

“The way we live our daily lives, connect with family, friends, and neighbours, and participate in groups and organizations is important to our quality of life. Westlock and District FCSS is asking for your thoughts about how our community can help everyone feel welcome and included.

A new Social Development Strategy will provide direction and agreement about how we work together to create a

community that feels great - for everyone. The Social Development Strategy Community Survey will go live between January 4th and January 14th, we invite you to visit the survey at [https://](https://www.surveymonkey.com/r/westlockmatters)

There is a new and easy way to access this survey as well right from your smart phone. Just scan the QR code below and it will bring you right to it for your easiest convenience. Westlock and District would like to have as much input from the community as they can get to make sure everyone has a chance to be heard.

Tax Payment Reminder

The Village of Clyde would like to send a friendly reminder that property tax payments are due by December 31, 2021. As of January 1, 2022, a 15% penalty will be applied to any tax amounts owing in accordance to the Rates of Taxation Bylaw 2021-05-01.

Water Rate Increase

The current water rates for residents inside the Village of Clyde are set at \$3.75 per cubic meter and \$4.35 for consumers outside the village corporate limits. While the new year is coming amongst us, there will be a \$0.10 increase in the water rate starting February 1st, 2022.

Snow Removal Information

As the snow approaches us, the village would like to make sure that snow removal is one of our top priorities to keep the streets and sidewalks safe. As the snow plow is in motion, we kindly ask that residents please remove their curb mats from their driveways to make sure they do not get swept away during this time.
