Planning For the Future

The Village of Clyde is happy to announce that we are creating a municipal development plan (MDP). A municipal development plan is a critical policy that conveys the community's long-term land use goals.

July
2021

Council Meetings

July 12, 6:00pm
August 9, 6:00pm

Committee Of The
Whole

July 19, 6:00pm
August 16, 6:00pm

All meetings to be held
electronically.

For more details contact
780-348-5356

It supports decisions made about land use as well as the types of residential, business, and recreational services the village needs. The MDP is being developed to benefit the community for generations to come.

Employment Opportunity

The Village of Clyde is seeking individuals for the following employment opportunity.

Familiarity with equipment operation and maintenance is preferred and will be considered an asset.

Public Works Foreman

Full Time Position with ability to train alongside current Public Works Foreman
until October 1, 2021

With our current Public Works Foreman looking forward to slowing down and focusing on spending more time with family, the Village is seeking someone who will step into the role.

Position Summary:

The position works to maintain and operate all aspects required of Public Works in a municipality such as the Village of Clyde.

This includes the hands-on maintenance, oversight and support of the following departments;

- Facilities and Equipment
- Emergency Response and Supports (Utilities, Emergency Management and Fire Response)
- Transportation
- Community Lighting
- Water Services
- Waste Water Services
- Solid Waste Services
- Parks, Boulevards and Public Green Spaces

Required Skills and Abilities:

- This position involves on-call weekends and evenings.
- Must be willing to work overtime if needed or for emergencies.
- Ability to organize, co-ordinate and supervise skilled or unskilled workers.
- Ability to establish and maintain effective and professional working relationships with the public, employees and representatives of other agencies.
- Proficient operation, coordination and maintenance of all Village equipment and vehicles including but not limited to the following: truck, grader, tractors, mowers, and sweeper.
- Ability to respond to various tasks as requested or required.
- Ability to work closely with Municipal Administration and Village Council.
- Understanding of the Occupational Health and Safety Act, Regulation and Code.
- Ability to follow safe work practices, as outlined by the municipality, Workers Compensation Board, and other governing bodies.
- Strong record keeping and reporting skills.
- Skills in contract/project management would be an asset.
- Basic understanding of or training in Emergency Management and Incident Command Systems (ICS) an asset.
- Experience working with or interest in building towards certification with water treatment/distribution and wastewater treatment/collection in a municipal environment or related industry would be an asset.
- Ongoing training and development are a part of this position.

Please send applications to:

Email: CAO@villageofclyde.ca

In person at the office: 4812- 50 Street, Clyde AB

Please include a cover letter, resume and a copy of your qualifications.

Posting Closes – July 26th, 2021 or until a suitable candidate is found

We thank you for your interest, however only selected candidates will be contacted for interviews.
