

Public Hearing Notice Bylaw 2024-05-03

Monday, June 10, 2024, at 6:00 p.m. Council Chambers

What is Bylaw 2024-05-03?

Bylaw 2024-05-03 is an amendment to the Village of Clyde’s Land Use Bylaw to rezone Lot 15, 16, Block 4, Plan 1453AJ, from (I) Institutional to (R2) Residential District. This would permit the development classification to move from being required to develop either public or private uses that provide services to the community, to now be development of primarily single-detached dwellings, with the possibility for medium and higher density residential developments at the discretion of the Development Authority.

How Can I Get More Information?

Any member of the public may review the proposed bylaw and ask questions. Information is available on the Village’s website under Public Hearing, or can be provided to you upon request. Planning and Development staff can explain what is proposed, how it might impact you, and how the public hearing process works.
