Happy New Year!

The Village is upgrading our computer software. During the transition, the December bill was processed, mailed out on December 23, 2019 with payment due January 31, 2020. Therefore it may appear that you were billed twice in a billing period, but they were simply mailed out early.

Reminder – a 15% penalty will be applied to all unpaid Property Tax on January 1, 2020. If you would like to make a payment in cash, please note that our office will be closed December 24 at 12:00 noon & reopening on January 2, 2020. If mailing a cheque, please make sure it is postmarked prior to January 1, 2020.

Snow ByLaw information:

1. After 48 hours, properties that have not made their sidewalks safe for pedestrians are noted.
2. Letters are sent to the owners/renters and provided a time before a municipal violation is issued
3. If the sidewalk has not been made safe, a municipal violation ticket will be issued, a date required to resolve the condition will be noted.
4. The village will contract the work to be completed and the amount billed to the property tax debt.

Please note: The garbage rate will be increasing to \$15.63/month effective April 1, 2020 as per Bylaw 2019-02 which was passed on May 13, 2019.

Water rate will be increasing April 1, 2020 by \$.15 per cubic meter.

Garbage carts: Please make sure that your garbage cart lid is closed, garbage is **bagged** and that the bin is not overflowing. If you need an additional bin, please contact the office. Place your cart so it is accessible for the garbage truck to pick it up with the bin opening towards the street. Please ensure that your garbage is out before 7:00 a.m. in garbage carts at the curb. In addition, please remove your cart from the street as soon as possible after garbage pickup.

If your bin is not in compliance, it will not be picked up.

RECYCLE!

What better way to start off the New Year—recycling

Did you know that more than 60% of the trash that ends up in bins is actually recyclable? Most trash is plastic, paper, aluminum and glass, all of which can be recycled.

A lot of plastics can be recycled and it takes over 500 years for plastic to decompose. Stretchy plastic, plastic bottles and jugs can be recycled.

CLYDE FIRE DEPARTMENT

As you are aware of the recent incident in Clyde, it shows how important it is to have a local Fire Department. The Clyde Fire Department is looking for new members; focusing on shift workers and those that have daytime availability within the Village. Please contact the Village of Clyde office for more information.
